## ST. PATRICK'S DAY TRADITIONS

### EUROPEAN SECTION

#### The true meaning behind Saint Patrick ?

St. Patrick was a 5th-century missionary to Ireland who is credited with bringing Christianity to Ireland. He became a legendary figure by the end of the 7th century and is considered a patron saint of Ireland. The celebrated annually on March 17, St. Patrick's day is a holiday known for parades, shamrocks and all things Irish. From leprechauns to the color green,

#### Saint Patrick symbole

In 1681, people started pinning a shamrock to their clothes as they celebrated St. Patrick's Day, and the tradition is still carried on today – not only in Ireland, but worldwide.

**St. Patrick's Day in 1776 was more than just an Irish-American celebration... it was also a step towards freedom.**

#### Activities for St. Patrick

St. Patrick's Day observes of the death of St. Patrick, the patron saint of Ireland. The holiday has evolved into a celebration of Irish culture with parades, special foods, music, dancing, drinking and a whole lot of green. Each year, thousands of Irish Americans gather with their loved ones on St. Patrick's Day to share a "traditional" meal of corned beef and cabbage, while wearing a green shirt and listening to Irish music such as Dirty Old Town by Ewan MacColl, Zombie by Irish alternative rock band and Whiskey in a Jar by Thin Lizzy.

# TRUMP VS BIDEN

**Leaving vs returning. The 2020 remake is compelling to American voters. In this battle for the presidency, Joe Biden is not a favorite but, Trump's triumphant march in the Republican primaries does not hide some serious weaknesses.**

## WHO WILL HAVE HIS REVENGE ?

**A Super Tuesday is a foregone conclusion. The American presidential election is struggling to excite the crowds. For weeks, the poster for the November presidential election has already been known to everyone, and the Super Tuesday primaries have only confirmed the upcoming match, which will pit the outgoing president, Joe Biden, against his predecessor, Donald Trump .**

**During this “super Tuesday”, during which around fifteen American states went to the polls for the Democratic and Republican primaries, the two favorites of the ballot won almost all the delegates at stake, except in two territories with unexpected results.**

**Tensions rise between Trump and Biden. It looks like a fight but this time it's a second time. In 2021, Joe Biden won against Trump and became the 46th president of USA. Now it's his second encounter with Trump. The majority of Americans will mostly vote for Trump because of Biden's health and his way of governing the country. In January, Trump collected 45,8% of intention of vote and 44,7% for Joe Biden.**
